made by the visitors, who always were forced to punt. Penn tried several forward passes, none of which was successful. Jourdet was removed from the game for "ungentlemanly" actions to Shaffer, and Penn lost half the distance to her goal line. Dickinson had the ball at the time and the penalty gave them the ball on Penn's 40-yard line. But that advantage was of little benefit to Dickinson.

**Navy Lacks Experience.**  
ANNAPOLIS, Md.,—With a team which, though heavy, was composed almost entirely of players with little experience on the football field, the Naval Academy had its work cut out for it to win by 7 to 3 against Johns Hopkins this afternoon in the opening game of the season. The Navy was without the services of four of its best linemen, as well as Captain Rhodes in the backfield, but was still able to put a much heavier team in the field than their opponents.

Hopkins scored in the first quarter Alexander's fumbling giving them the ball on the Navy's 25-yard line. After small gains, Hopkins' advance was brought to a standstill, and Gillette dinked over the goal. It was not until the third quarter was reached that the Navy scored, and up to that time the outcome appeared doubtful.

A brilliant run of Alexander put the ball within striking distance, and McReavey and Gilchrist carried it to the two yard point, from which Gilchrist carried it over. Gilchrist kicked the goal.

**Harvard Gains Strength.**

BOSTON, Mass., Saturday.—Harvard showed a surprising increase in strength in the game with Holy Cross on Soldiers' Field today, when the Worcester team was defeated, 19-0. Had the crimson kept its field team in through the game the score probably would have been much larger. In the second half Coach Haughton sent in a team of substitutes. All the scoring was done in the first half, and the substitutes could not much more than hold Holy Cross.

In the first period Holy Cross could make only one first down, while Harvard was only checked once on downs that being when the Crimson was within a foot of the Holy Cross goal line and Wendell was unable to make the required distance. Holy Cross threatened to score twice in the second half. In the fourth period the Worcester men worked the ball down to Harvard's 10-yard line, where their advance was stopped. Captain Ostergren tried two drop-kicks in this period, but one was blocked and the other fell short and was captured by Harvard.

As compared with its showing against Maine a week ago, the Crimson showed increased strength in every department, especially in the back field, where the return of Captain Wendell put snap and sureness into the play. The defensive playing also was much improved.

**Dartmouth Strong Again.**

HANOVER, N. H., Oct. 5.—Dartmouth's varsity toyed with the Amherst Aggies for two periods here today, running up a score of 47 to 0, and then retired in favor of a second eleven which, played the latter half without a score. The Green continued its policy of going out after the game from the start, and for the third successive time scored in the first two minutes of play, when London grabbed Llewellyn's beautiful forward pass and skinned the Aggies' left end thirty yards for a score. Llewellyn then assured Dartmouth the game by running back the kick off fifty yards to the Aggie's 35 yard line, from which point his splendid interference enabled Morey to score.

**Minnesota Defeats Ames.**

MINNEAPOLIS, Minn., Oct. 5.—Minnesota showed considerable improvement in the game with Ames today and won by a score of 5 to 0. The team still is far from the equal of Minnesota of other years. A forty-eight yard goal by Harvard enabled Minnesota to make the first three points and a rather foolish play by Capt. Harst of Ames gave the Gophers a safety. Penalties checked against Minnesota probably cost a touchdown.

Dr. A. C. Kraenzlein, who still holds the world's low hurdle record, has given up his position as trainer of athletic teams at Michigan and will pass the next two years in Europe. Taking all-in-all Kraenzlein was one of the world's greatest athletes, and it would not be surprising if he was selected by some foreign country to prepare their athletes for the next Olympic games which will be held in 1916.

NEW YORK—The Unisports, governing body of track and field athletics in France, has sent a challenge to this country for an international cross-country race, the event to be held near Paris in November. The proposal comes as the result of the visit of a section of the American Olympic team to France on their way home from Stockholm.

These champions from across the water do not last very long when they reach New York. McGorrie ended the aspirations of Jack Harrison, of England, and Dave Smith, of Australia, quickly. Al Palzer stopped Bombardier Wells, the British heavyweight, in

three rounds; Mike Gibbons had a cinch with Sid Burns, the English welter; Packey McFarland outclassed Matt Wells, the British lightweight champion; Georges Carpenter, the French middleweight champion, was thrashed by Frank Klaus.

The Australian Waratah Rugby football team defeated the Olympic Club team Saturday afternoon at St. Ignace's Stadium by a score of 29 to 0 says a wireless from San Francisco received yesterday. The result of this game shows that at last the Australian aggregation is taking on something of combination that has been lacking in their previous showings. Their victory was decisive, but it should have been more decisive, as time and again opportunities were lost to score through repeated fumbling, and in the first half alone three tries were lost from this cause.

LIVERPOOL, Oct. 5.—Sir Thomas Lipton is on his way to the United States to challenge once more for the America's cup. He sailed today on the Caronia and said in reply to an inquiry:

"I am going to New York prepared to challenge for the America's cup after discussing the terms under the latest rules of the American yacht clubs."

NEW YORK, Oct. 5.—G. A. Cormack secretary of the New York Yacht Club, was not inclined to take seriously today the report that Sir Thomas Lipton was coming to America prepared to challenge for the cup.

"It would be hardly possible to discuss terms with Sir Thomas for a contest until early in December," he said.

Frank Walker, who has made something of a reputation as a pitcher for the University of Chicago, will be a member of the Columbus club, in the American Association, next year. In this connection an incident cropped out that shows how difficult it is for Cincinnati to get along smoothly in the management of its club. Walker was about to sign with Cincinnati, but made some request which angered Manager Hank O'Day, and he tore up the contract. Garry Herrmann, owner of the Cincinnati club, then advised Columbus to take Walker.

The bout between "Gunboat" Smith of California and Jim Stewart, the Brooklyn strong boy, which took place in Madison Square Garden, New York City, on Monday night, was stopped in the seventh round by Sheriff Julius Harburger. Stewart had the worst of the match from the start but his ring generalship enabled him to avoid a knockout. He was floored twice in the opening round by Smith with a left hook to the jaw and a right swing to the stomach. This was repeated by Smith at every opportunity, and at the end of the seventh round the sheriff ordered the fight stopped.

Another decision has been won by Manuel F. Vieira, the former Hilo boy who has been figuring quite prominently in the fight game of the Coast, this time in San Francisco on October 9 over Frank Rome in a six-round bout.

Vieira has planned a trip to Hawaii at an early date, and when in Honolulu would like to meet some one of his weight and class.

Williams of the Cherries, bowled an average of 200 for eight consecutive games during a practice match at the "Y" alleys yesterday afternoon, probably making a record for the Islands and beating the local record of 203 for five consecutive games, which is held by Clarence White.

In spite of injuries received during football practice, Rex Hitchcock, Jr., the former Punahou star, figured in the Harvard-Holy Cross game on October 5, at Cambridge, Massachusetts, playing the position of left tackle. A short time before the game he was carried off the field with a badly wrenched shoulder which injury he received during scrimmage practice, but recovered sufficiently to play through the game on October 5. Holy Cross was hopelessly defeated by Harvard by a score of 19 to 0, the Crimson scoring three touchdowns in the first two periods. In the last two periods Harvard sent in an entire substitute team, and both teams used the forward pass effectively, forty-five yards being gained by Holy Cross on two throws.
